MILLENNIUM™

Previously on *Millennium*...

With his unique ability to see into the minds of killers, profiler Frank Black left the FBI to join the Millennium Group, a covert team of ex-law enforcement experts battling the growing forces of evil in the world—or so he thought. The Group actually was bent on bringing about the apocalypse, and to that end became responsible for the death of Frank's wife, Catherine. Eventually, the Millennium Group dissolved, and Frank and his daughter, Jordan—who shares his gift—became estranged.

Now, nearly 15 years later, the Millennium Group has resurfaced, and their pursuit of Jordan has once again pulled Frank back into the fray. FBI Special Agent Fox Mulder has also become involved after the first person he helped put behind bars was found dead at a work-release facility. Frank has been led back to Seattle, where he learns that he's already too late...
