

AD. 792  
Fifty miles outside  
Lindisfarne, England

It destroyed my  
village! It won't  
rest until it's  
killed again!

It will drag  
our souls to Hell!  
I've seen into the  
eyes of *The  
Beast!*

Are you  
mad?

The Beast!  
The Devil himself!  
He walks upon cloven  
hooves with the  
head of a demon!

Surely this  
is the end for--  
GAHHH!
