Good morning! Didn't see you guys come in! Don't mind me, just cooking up a storm over here.

Who are you talking to, Uncle Grandpa?

The readers! Duh!

Hmm, let's see if this is done baking yet.

UNCLE GRANDPA! BE CAREFUL!

Koff! Yep, it's done!

Mmm mmm mmm! That smells good!

It smells like **BURNING FLESH!**

Ah, the *final* ingredient!

A dragon egg!

Holy cow, that's **BIG**, Uncle Grandpa!

**KRACK-SPLOOY!**

Gee, what's with all the fancy culinary delights tonight?

Oh, I'm just making dinner for my boss.

Oh, that's ni--

Wait a second! Uncle Grandpa has a... **BOSS?!**

Sniff sniff... Oh wow, what's that smell?

Mrow!

You said it, Giant Realistic Flying Tiger!

Huh... I'm getting déjà vu. Have we done this before?

Mmmm... casserole...

Déjà whatever, that smells so gooooood!

Whoa, Uncle Grandpa! That's one delicious looking dish!

Gimme gimme gimme!

Now where can I keep you safe?

Whoa, Uncle Grandpa! You're going crazy!

Yeah, crazy like a FOX!

Hey! I resent that horrible stereotype!

Sorry, Mr. Fox! My bad!

Hmm, this isn't going to work.

For many reasons!

Hmmm...a very handsome looking disguise, but not good enough!

Geez Louise! What does a guy have to do to properly hide their casserole around here?

Hmm, maybe under the bed?

Hey, no room under here!

Opps, sorry, Brett!

Not secure enough!

Aw geez, I don't remember the combination!

You aren't fooling anybody, buster!

Nah, too highbrow!

Mmmmm this tastes good!

You spit that out this instant, mister!

Hey! We already did this one!

Ooooooh! PERFECT!
