

PETE? WHY ARE YOU FOLLOWING US?

I DID AS MO'LOCK INSTRUCTED.

THIS WOULD BE THE GOOD NEWS. IT WAS SUPPOSED TO BE A SURPRISE.

I AM GOING TO GO.

HEY, OKAY...AND THANKS, PETE...AND SORRY.

IT'S REALLY NICE. THANK YOU. WHAT'S THE OCCASION?

WE CAN DISCUSS THAT LATER. THERE ARE MORE PRESSING MATTERS.

THE BAD NEWS.

IT'S BEEN HAPPENING FOR DAYS. I WAITED. I DIDN'T WANT TO OVERWHELM YOU. GHOLS ARE DYING, CAL. MORE EVERY DAY.

WELL, WHO'S KILLING THEM? WE'LL TRACK THEM DOWN AND 'SPLAIN THINGS TO THEM.

I THINK IT'S BETTER IF YOU SEE FOR YOURSELF.

WHERE WE HEADED?

THE SEWERS BENEATH STUDIO CITY.

BACK IN THE SEWERS AGAIN, HUH?

THAT PARTICULAR DANGER HAS PASSED. MOST GHOULS PREFER THE SEWERS TO LIVING AMONG HUMANS.

LOOK, THANKS FOR THE CAR. IT'S REALLY GREAT.

I'LL ADD IT TO YOUR TAB.

SMACK

WRRRR

DESPITE BEING ANNOYING, GHOULS ARE AMONG THE TOUGHEST MONSTERS I'VE EVER ENCOUNTERED.

THEY EVOLVED FROM GRAVE-ROBBING FLESH EATERS TO UNDEAD OBSERVERS--SOMETIMES PROTECTORS--OF THE LIVING.

THEY'RE A LOT DEADLIER THAN THEY LOOK. ALL YOU HAVE TO DO IS PUSH A GHOUL TOO FAR TO FIND THAT OUT.

YOU HAVE GUM STUCK TO YOUR ASS.

LIKE ANY MONSTER, THEY CAN BE KILLED. I SUPPOSE I SHOULD SAY "WE" CAN BE KILLED. I AM ONE OF THEM NOW, AFTER ALL.

BUT THEY ARE TOUGH TO KILL. YOU COULD BURN ONE, IF YOU COULD HOLD IT DOWN LONG ENOUGH TO DO ANY DAMAGE.

EVEN DECAPITATED, THE HEAD LIVES ON. ONLY TOTAL DESTRUCTION OF THE HEAD AND BODY SEEMS TO STOP GHOULS FOR GOOD.

BUT THIS?
