

Book I, Epilogue

THE LAST PADAWAN

It is a period of unrest. It's been years since the fall of the Republic, when Chancellor Palpatine gave ORDER 66, wiping out the peacekeeping JEDI ORDER, and rose to the position of Emperor.

Since then, the Emperor has ruled the galaxy with an iron fist and small clusters of rebels have begun fighting for freedom. One such rebel group is home to KANAN JARRUS, the mysterious former Jedi named Caleb Dume who lost his Master on the planet KALLER.

Now, back on Kaller with his rebel companions, the ghosts from Kanan's past are beginning to catch up with his present....
