# THE SMURFLINGS

Day is breaking over the Smurf Village. Like usual, the window of Papa Smurf's laboratory has remained lit all night long. Papa Smurf is working very, very hard...

...and two drops of smurfapirium smurfimus...

There! I carefully smurf everything...

And... wait exactly one sandglass before smurfing in the reagent!

Starting...  
**NOW!**

I must not make a smurfstake! A little too early or a little too late, and it all could be smurfed!

What the--?!  
**MY SANDGLASS!  
BROKEN!**

How much time's left?  
Five? Four? Three? Uh... Too bad,  
I'll pour! Two! One...
