# TRUE STORY

ON THE MEGABUS FROM CHICAGO TO CLEVELAND...

...BEATS THE HARDEE'S AT THE REST STOP...

“Derf’s cartoons are the essential roadmap for America’s cultural landscape. Hardcore, caffeinated, and unforgiving.”

Shannon Wheeler

“Timeless strips from a master of the genre.”

Tom Tomorrow

“Great, gritty stuff from an alt-weekly legend.  
It doesn’t get much realer than this.”

Jen Sorensen

“Who wouldn’t want reality served up through the bizarre,  
twisted lenses of Derf’s brain and drawing hand?  
True stories is the best way to experience the truth.”

Ruben Bolling

“Derf rules!”

Keith Knight
