

SHIFTSPACE.

A network of wormholes used for faster-than-light space travel.

The **COMMAND FLEET** of **THE HARDWARE**: The underground robot resistance.

ARRRGHHH!

OH GOD, THAT HURTS!

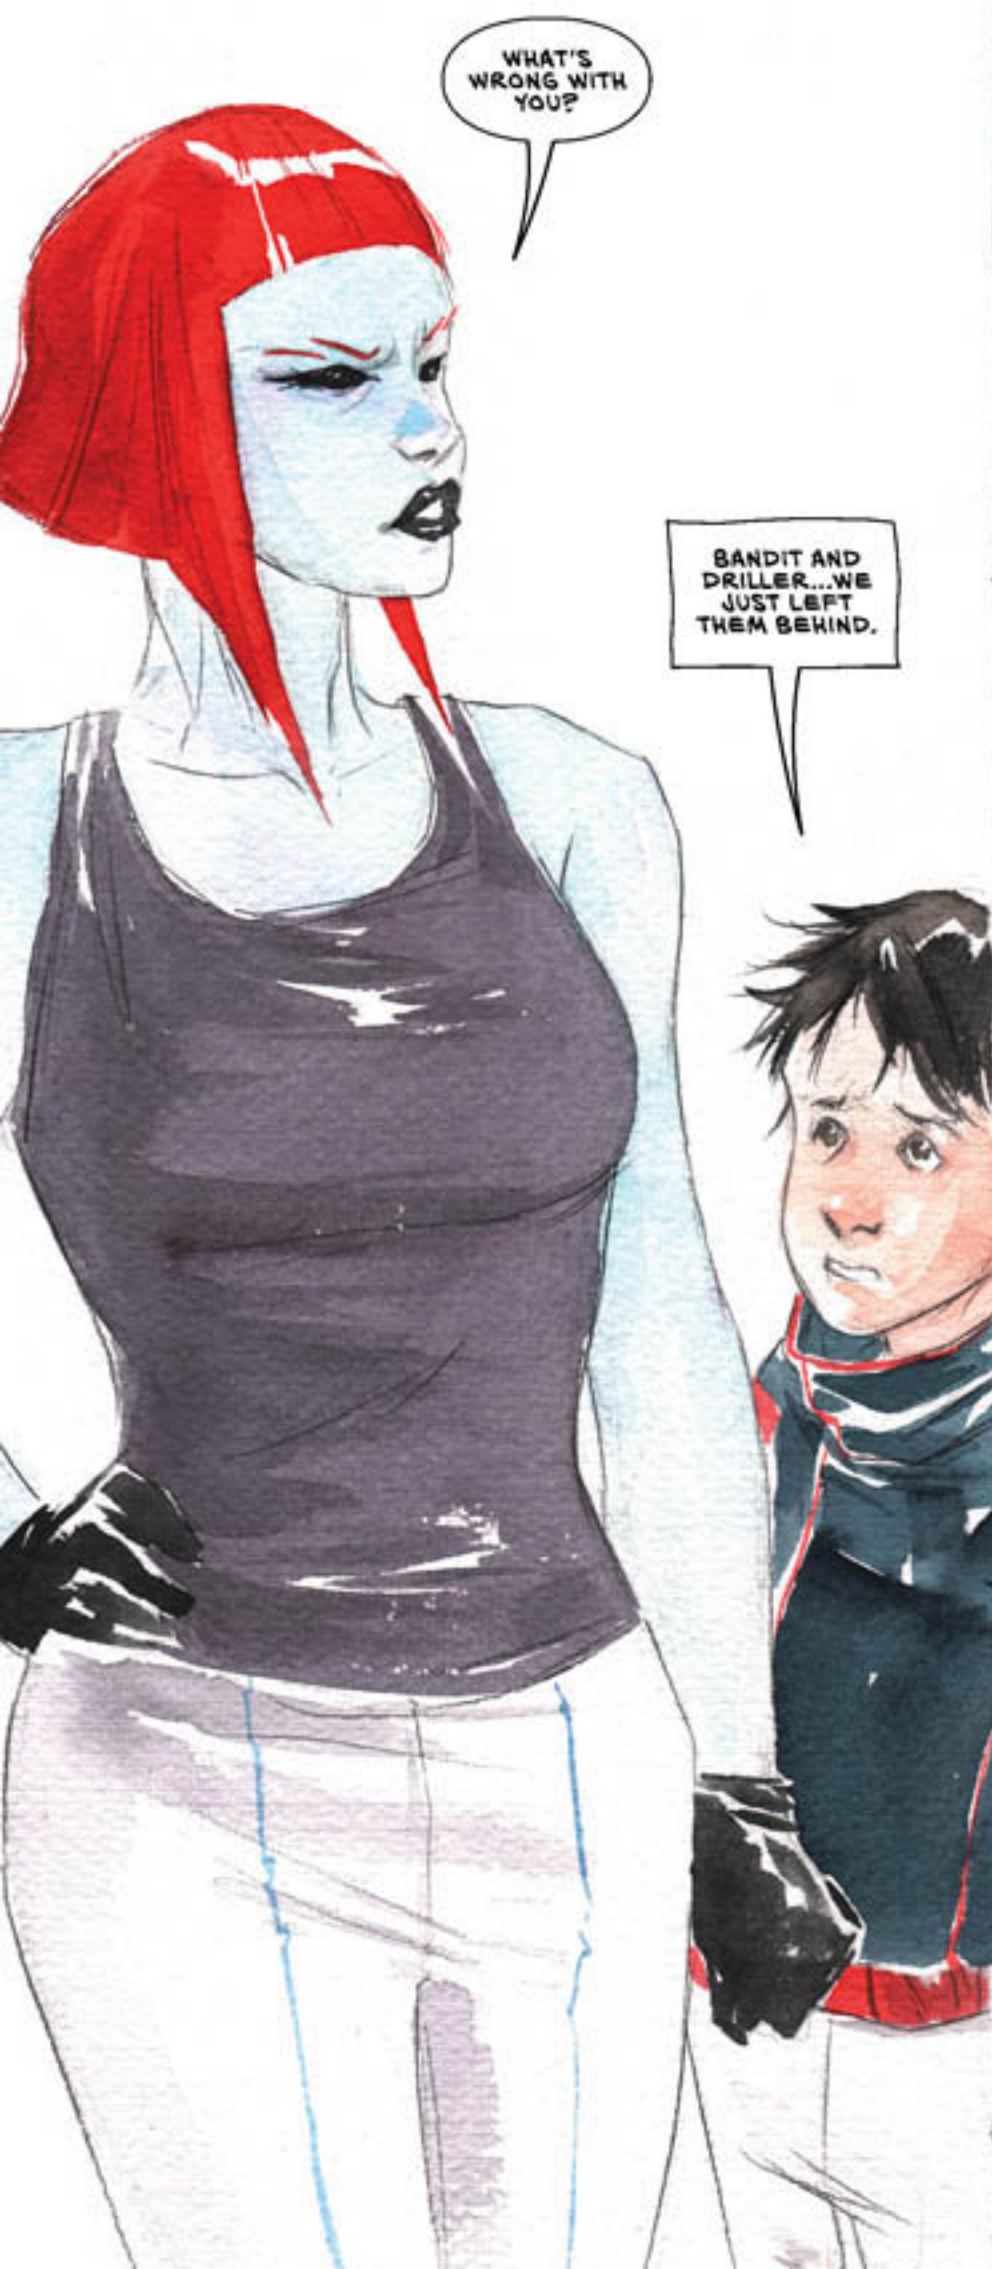

OH, WOULD YOU STOP YOUR YELPING, QUON! WE BOTH KNOW IT DOESN'T HURT THAT BAD. THAT MED-BOT HAS YOU SO PUMPED FULL OF PAIN KILLERS--

I'D LIKE TO SEE YOU GO THROUGH THIS, TELSA!

UNLIKE YOU, I'M NOT A TRAITOR OR A LIAR. THAT'S WHY I DON'T GET MY EXTREMITIES CHOPPED OFF BY ANGRY KINGS.

You should be grateful, hume. That is the finest vapor-hydraulic mech-tech and it includes my own patented nano-nerve interface.

GRATEFUL? THIS IS A HACK JOB, YOU TWO-BIT BEDPAN! I COULD DO BETTER IN MY SLEEP!

WHAT'S
WRONG WITH
YOU?

BANDIT AND
DRILLER...WE
JUST LEFT
THEM BEHIND.

BANDIT WAS MY
BEST FRIEND! AND I
CAN'T JUST **ADJUST** MY
EMOTION SETTINGS. THEY
ARE ADAPTIVE. I LEARN
FROM THOSE AROUND ME!
THIS IS WHO I AM,
CAPTAIN TELSA!

SWP

WHERE
ARE YOU
GOING?

TO BE
ALONE.

BUT WE
DON'T EVEN
KNOW THE
SHIP--

I'LL GO
WITH HIM.
