LEGENDARY STAR-LORD

After stealing the Mandalay Gem, Peter has found himself the target of a particularly unpleasant group called the Slaughter Squad, courtesy of the mysterious villain Mister Knife. But he can't let a little thing like a blood bounty on his head ruin his date with his long-distance girlfriend Kitty Pryde. And Peter has flaked out on Kitty far too many times to have their holo-outing go poorly. Let's just hope the Slaughter Squad doesn't decide to be the third-er, eighth?-wheel on their date.
