

The background of the page is a collage of various comic book panels. At the top, there's a panel with musical notes and a character. To the right, a vertical panel shows the word 'MUNCHKIN' in a stylized font. Below that, another vertical panel features the text 'Help Us! Great Warrior'. At the bottom, a horizontal panel shows the title 'GIANT DAYS' with three characters. Other panels show various characters, food items like donuts, and abstract patterns.
