

*Find something  
beautiful and  
grab onto it...*

*...and  
don't  
let go.*

*You hold  
on for  
dear life.*

*For as long  
as you can.*

*I was ten years old when I really saw myself for the first time.*

*Standin' there in my mama's slip, something changed.*

*I understood who I was.*

*I was beautiful.*

*My entire life has been about change.*

*I'm okay with that.*

*Most people don't have any idea who they are.*

*I know exactly who I am.*

*And I'm still beautiful.*
