Hello, and welcome to this collection of my 2016 journal comics.

This project started as a way to break out of a crippling writer's block while also completing a lifetime goal of drawing an autobio comic every dang day for a year. These comics were originally produced as patreon exclusive content.

As of this publication in 2018, I am STILL keeping up the daily comic practice! You can follow along at: patreon.com/lizprince

Thanks for reading!
Enjoy!
