Ghouliana's Missing Monster Parts

Oh dear,
she's at it again.
Ghouliana is back
to resurrect an old friend!
But there's a tiny little problem
with this beast from beyond.

When she whispers his name, he does not respond.
Seance and spells... nothing is working.
Where is her monster? Where is he lurking?
Oh no! She discovered a head on the floor.
To make matters worse, there's organs galore!
Was it you who dismembered Ghouliana's old pal?
Someone's been dropping his limbs on the ground.
There's a claw over here, and a wing over there.
His beating heart can be heard everywhere.
Won't you help stitch her friend back together?

Once he's alive,
they can play forever and ever.
