# PETER PARKER: THE SPECTACULAR SPIDER-MAN ANNUAL

All right. Fill me in. What's going on in this so-called "annual"?

Hmm... Ever heard of J. Jonah Jameson?

Cool--just super basic stuff stuff this time. 'Course I know Jameson! Formerly Peter Parker's boss at the *Daily Bugle*, eternally distinctive 'stache, short-tempered, hates Spider-Man--

Hold up a minute--that part's different. See, Spider-Man finally admitted he and Peter Parker were the same guy, and J.J.J.'s been trying to "help" him/make up for years of spider-persecution ever since.

Across two comics titles and with mixed results, I imagine?

To say the least, my perspicacious friend.
