

# FIRST BLOOD

## Part I

**It is an era of betrayal. The Republic has fallen after the elimination of the JEDI KNIGHTS by Chancellor Palpatine's ORDER 66. Now, as Emperor, Palpatine firmly commands the galaxy by his own rules.**

**Rebels have banded together to fight back. Among them is former Jedi Padawan Caleb Dume, who now calls himself KANAN JARRUS. He and his rebel companions are back on planet KALLER, where Kanan lost his Master years ago.**

**Kanan's past haunts him as he searches for his ex-partner Janus Kasmir, who he suspects smuggled supplies the rebels need. In his search, he is wounded by Tapusk before falling unconscious while the ghosts of his Padawan past zero in on him....**
