THE CREATURE HAS BREACHED THE OUTER CURTAIN WALL!

IT HAS LEFT ATLANTIS! NOW THE FLEET CAN UNLEASH FULL--

NO, MURK!

MISTRESS CARCHARODOR!

DO NOT TARGET THE CREATURE. I REPEAT, DO NOT! IT ADAPTS!

IT REPAIRS ITSELF FROM DAMAGE AND BECOMES RESISTANT TO THAT FORM OF ATTACK!

TARGET THE SEABED AROUND IT! ALL BATTERIES!

AYE, MY LORD...

BURY IT! YES, THAT MIGHT IMMOBILIZE IT!

...ALL FLEET ELEMENTS, TARGET THE TERRAIN AROUND THE FOE.

PLASMIT BATTERIES TO FULL YIELD. WE'RE GOING TO MELT THE OCEAN FLOOR. ON MY MARK...

...FIRE!

SHE BRINGS THE FURY, I'LL GIVE MISTRESS CARCHARDOR THAT.

IS THE THING TRAPPED, MY LORD?

SURELY COLLAPSING IT IN MOLTEN ROCK--

THE SHAGGY MAN IS RELENTLESS, TULA.

I'VE FOUGHT IT BEFORE. IT'S VIRTUALLY IMPERVIOUS TO HARM...

"...SO PINNING IT LIKE A FLY IN AMBER MIGHT BE OUR ONE CHANCE."

BBRRLBB

"IF NOT...WE'LL HAVE SIMPLY MADE IT STRONGER."

SPLATTTT

BY ALL THE GODS!

IT JUST... LEAPED CLEAR!

ATTEMPTING TO SCAN AND LOCK IT AGAIN.

IT IS DEFINITELY BIO-ORGANIC. AN ARTIFICIAL LIFE FORM. I MAY BE ABLE TO SCAN ITS--

**FTZZZKT**

AHHH!

IT INDUCED FEEDBACK! BLEW OUT MY ARRAY!

IT'S LEARNED TO DEFEAT OUR SENSORS NOW!

SO WE... WHAT? ANGERED IT?

AND MADE IT INVULNERABLE TO OUR DATA SYSTEMS?

MY LORD, THE LAST PLOT I HAVE SHOWED IT RETURNING TO ORIGINAL HEADING.

THE SAME PATH AS BEFORE...

...AMNESTY BAY.

NHH! MY LORD!
