

All right, this time I'm not going off on some *tangent* right out of the gate.

If I do that *three times* in a row, I think that sets a rule.

Like I'd have to do it every time from then on.

And it's hard enough to keep this whole thing straight without forcing extra rules on myself, you know?

Shit... *That* doesn't count as a tangent, does it?

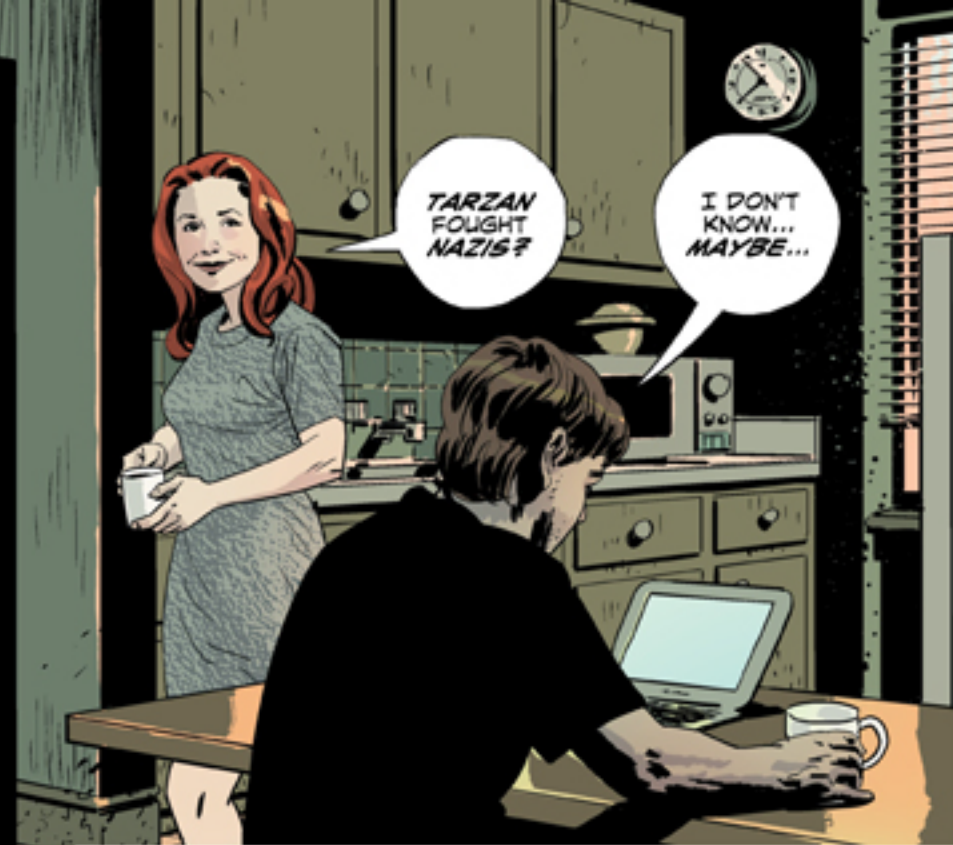

HEY... SO DID I HALLUCINATE YOU CARRYING ME TO BED LAST NIGHT...

LIKE SOME FIREMAN OR TARZAN OR SOMETHING?

I JUST HELPED YOU WALK FIFTEEN STEPS...

I WOULDN'T COMPARE THAT TO SAVING THE JUNGLE FROM NAZIS.

TARZAN FOUGHT NAZIS?

I DON'T KNOW... MAYBE...

THAT *SEEMS* LIKE THE KIND OF THING TARZAN WOULD'VE DONE.

WELL, REGARDLESS... SORRY I WAS SO OUT OF IT...

I HAD A FEW GLASSES OF WINE WHEN I WAS WAITING...

I HOPE I DIDN'T SAY ANYTHING TOO EMBARRASSING...

WHAT? NO... OH...

...

WHAT'S UP?

OH, NOTHING... JUST THIS GUY THAT GOT **KILLED** LAST NIGHT...

**PORT CHESTER MAN SLAIN**
