Jersey City.

SOMETIMES, WHEN THINGS ARE GOING REALLY WRONG, YOU GOTTA WONDER:

BRUNO!

Look out!

MAYBE IT'S TIME TO STOP FIGHTING AGAINST THIS...

...AND START WORKING WITH IT.

What the--?

This is getting really, really annoying.

Where are we?! I feel weird!

Don't worry, it goes away!

How do you know?!

I've been here before! Last time this happened, a **blue lady** showed up and told me stuff!

This is **incredible**. We must be in some kind of **temporal vortex**.

I was right. This is **it**--this is how you borrow mass.

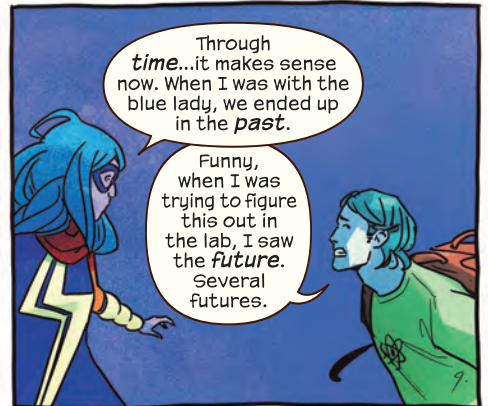

What do you mean?

You borrow it from **yourself**... across **time**. Every time you get bigger or smaller, you trade mass with your past and future selves.

So when I embiggen... I'm **time-traveling**?!

Not exactly. But your **molecules** are.

Through **time**...it makes sense now. When I was with the blue lady, we ended up in the **past**.

Funny, when I was trying to figure this out in the lab, I saw the **future**. Several futures.

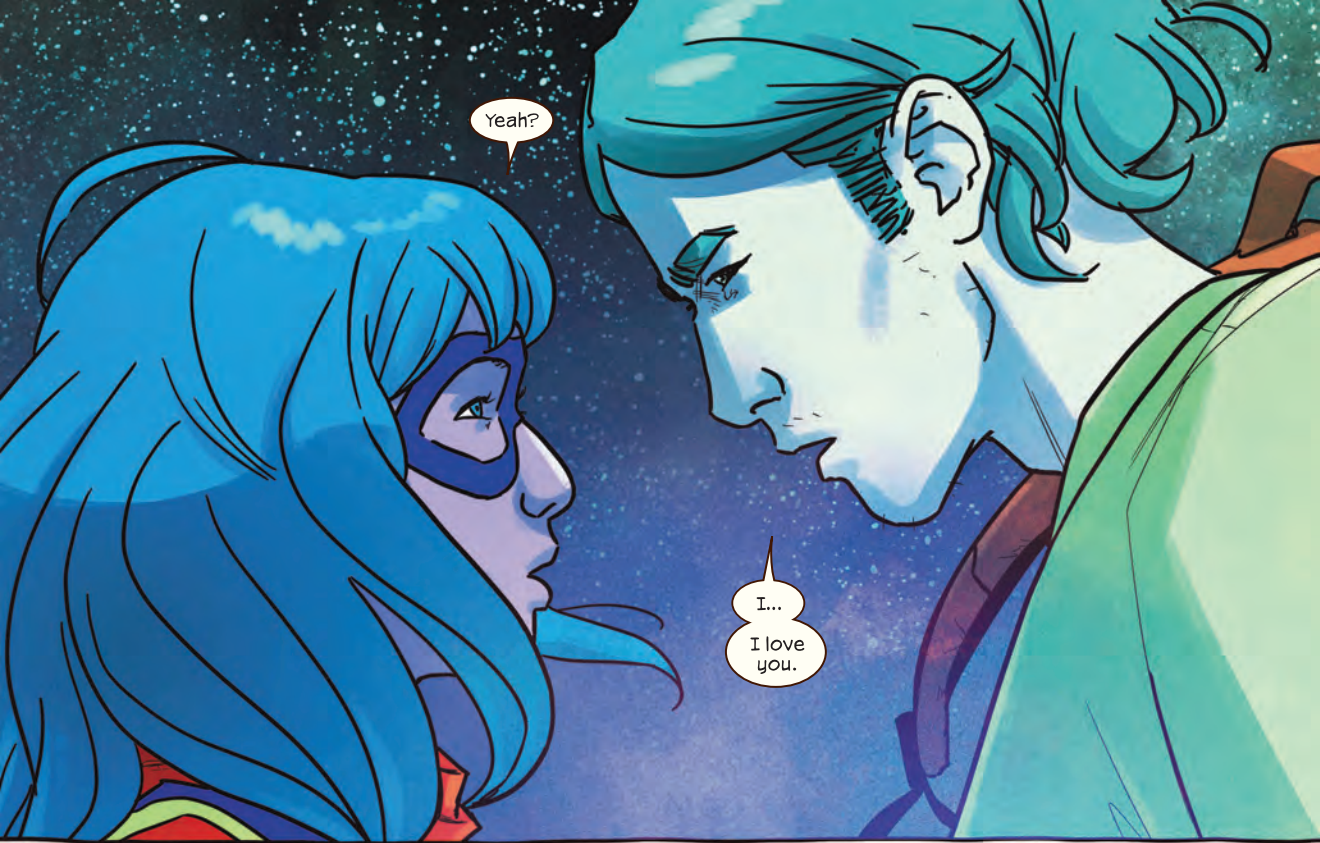

Really?! So what happens?

You're President of these United States.

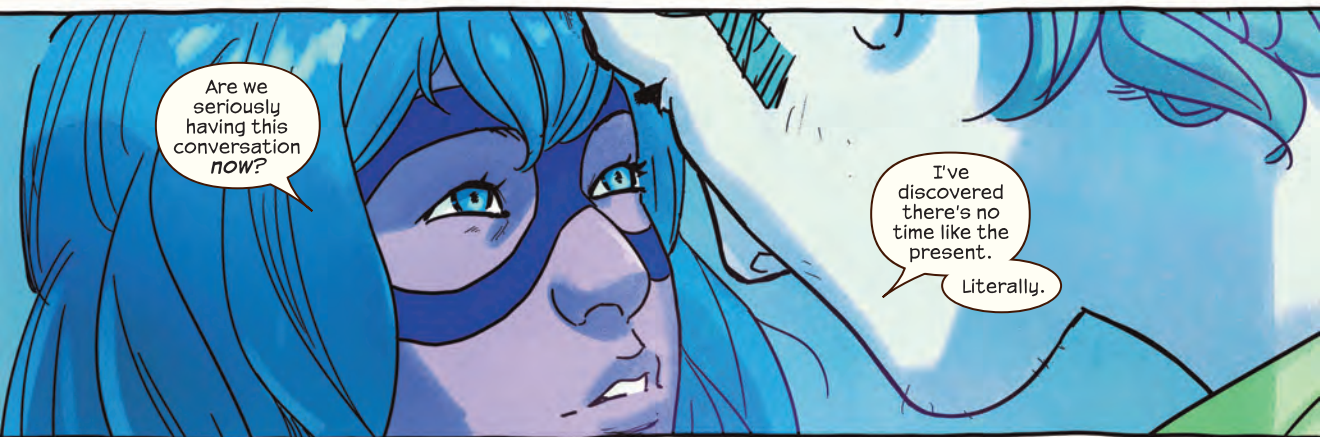

Seriously?

In **one** timeline, yeah. In the others...

Yeah?

I...
I love
you.

Are we
seriously
having this
conversation
now?

I've
discovered
there's no
time like the
present.
Literally.

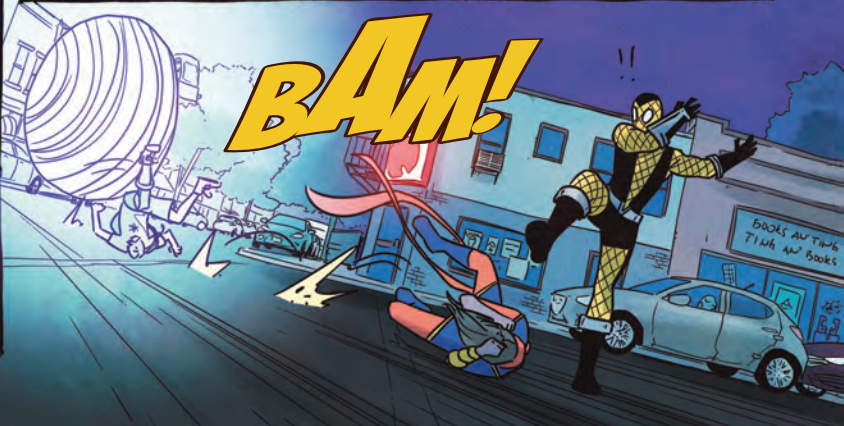

WAIT!

Huh?!

Heads
up!

Heads
what?

BAM!
