

THREE WEEKS EARLIER...

JUST KILL 'EM ALL.

BUT THREE WEEKS EARLIER...

IN SHORT, WE TARGET UNSTABLE AREAS, MAKE THEM A LITTLE MORE UNSTABLE BY PILLAGING, AND MOVE ON.

THEN WHY BANGALLA? WHY I HEAR IT, THEY WEATHERED THE STORM BETTER THAN MOST.

SOMETIMES AN AREA NEEDS TO BECOME UNSTABLE FIRST.

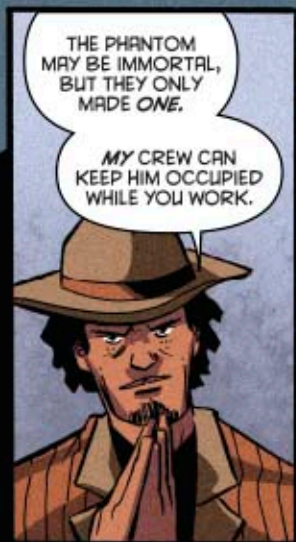

SOMETIMES WE'RE PAID TO MAKE THAT HAPPEN.

GET PAID TO WRECK UP A PLACE. TAKE WHAT YOU WANT ON THE WAY OUT. IT'S A GOOD RACKET.

UNTIL THE PHANTOM STARTED SCARING YOUR MEN.

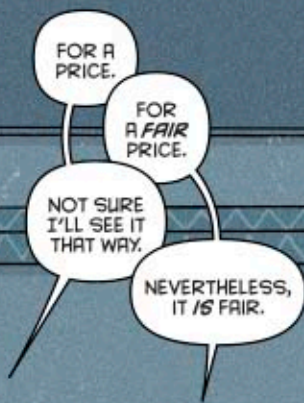

YES. THE PHANTOM.

WHAT DO YOU THINK YOU CAN DO ABOUT THAT?

THE PHANTOM
MAY BE IMMORTAL,
BUT THEY ONLY
MADE ONE.

MY CREW CAN
KEEP HIM OCCUPIED
WHILE YOU WORK.

FOR A
PRICE.

FOR A
FAIR
PRICE.

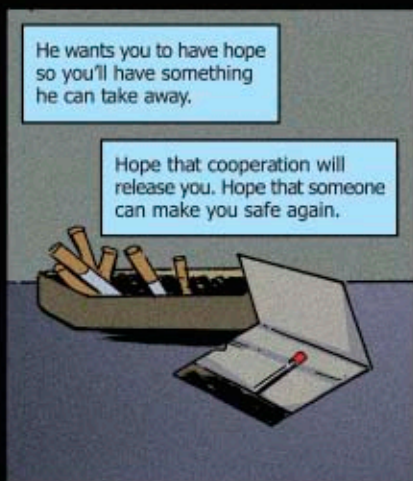

NOT SURE
I'LL SEE IT
THAT WAY.

NEVERTHELESS,
IT IS FAIR.

Okay. You heard
him. He doesn't
want you dead yet.

He just wants you
terrified. So don't
give that to him.

He wants you to have hope
so you'll have something
he can take away.

Hope that cooperation will
release you. Hope that someone
can make you safe again.

No one's coming
for you. It's been...

I don't know how
long it's been.

But they'd be
here by now.

No one can get
you out of here.

You have to
get **yourself**
out.

How the hell do I grab these?
