

I was wrong about  
so many things.

**BOOM BOOM**

YOU ARE  
MALFUNCTIONING.  
SHUT DOWN  
IMMEDIATELY.

**KRAK**

I thought the  
central artificial  
intelligence "SOL"  
was behind our  
persecution.

I convinced the others that shutting SOL down would change things for the better.

UNKNOWN COMPOUND DETECTED.

SCANNING.

It took years, but we finally tracked SOL to its source.

IT WORKED!

LET'S GO.

A compound thousands of kilometers to the North.

The robots' programming wouldn't let them hurt us, so we pressed that advantage with a direct assault.
