

FROM THE DESK OF
DUM DUM DUGAN...

Things got pretty hairy here at S.T.A.K.E. HQ, but now I'm officially in command of the Howling Commandos. We're gonna do what we do best—work together to take down monsters and save the day!

With Dr. Krave compromised and Orrgo missing, we're gonna need to pull out all the stops for this one. SPHINX has been spotted in New York City, up to his usual undead army antics. The whole squad is currently en route to engage the target. It's time to put this mummy back in his tomb.
