

"THE PORT OF EARTH  
IS OPEN TO ALL."

"IT WELCOMES ANY  
ALIEN VISITOR THAT  
COMES."

"BUT THOSE ALIEN  
VISITORS ARE TOLD TO  
REMAIN AT THE PORT."

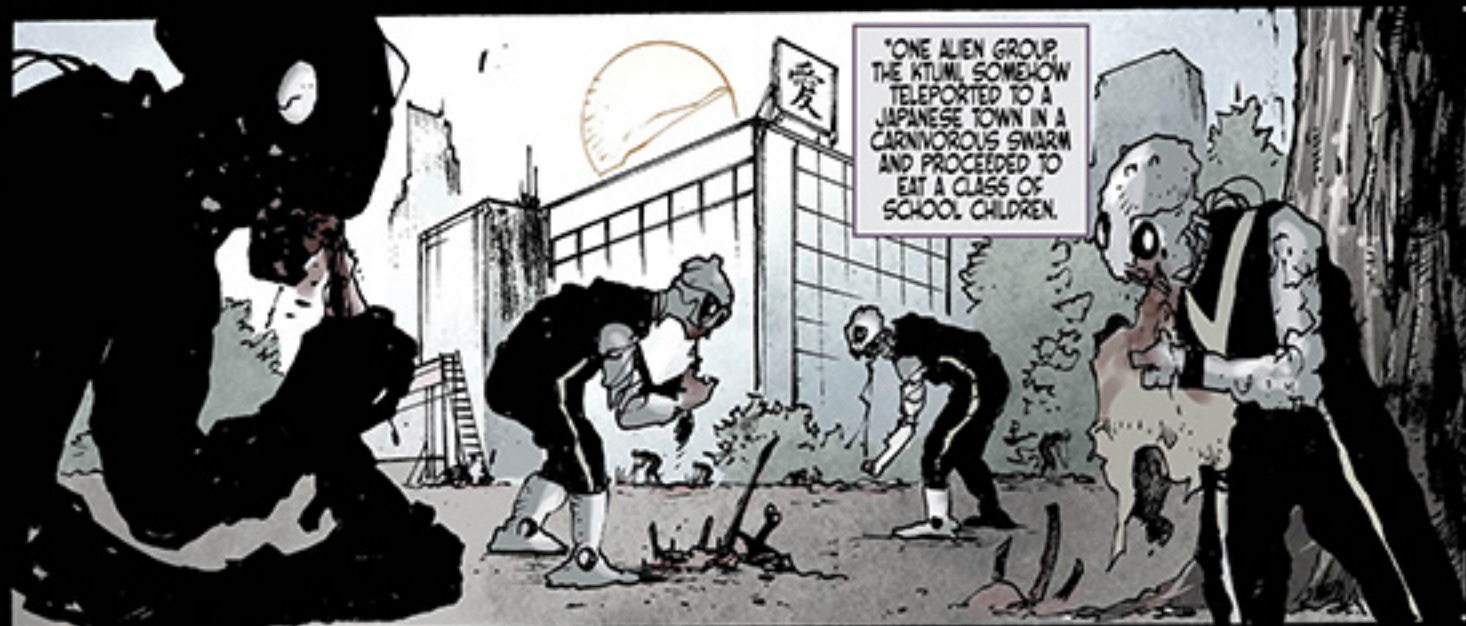

"THEY ARE  
NOT TO  
LEAVE."

"NOT TO GO INTO  
HUMAN-POPULATED  
AREAS."

"SO, IF AN ALIEN VISITOR  
BREAKS THE RULES..."

"...WHY DO WE STILL  
PROTECT THEM?"

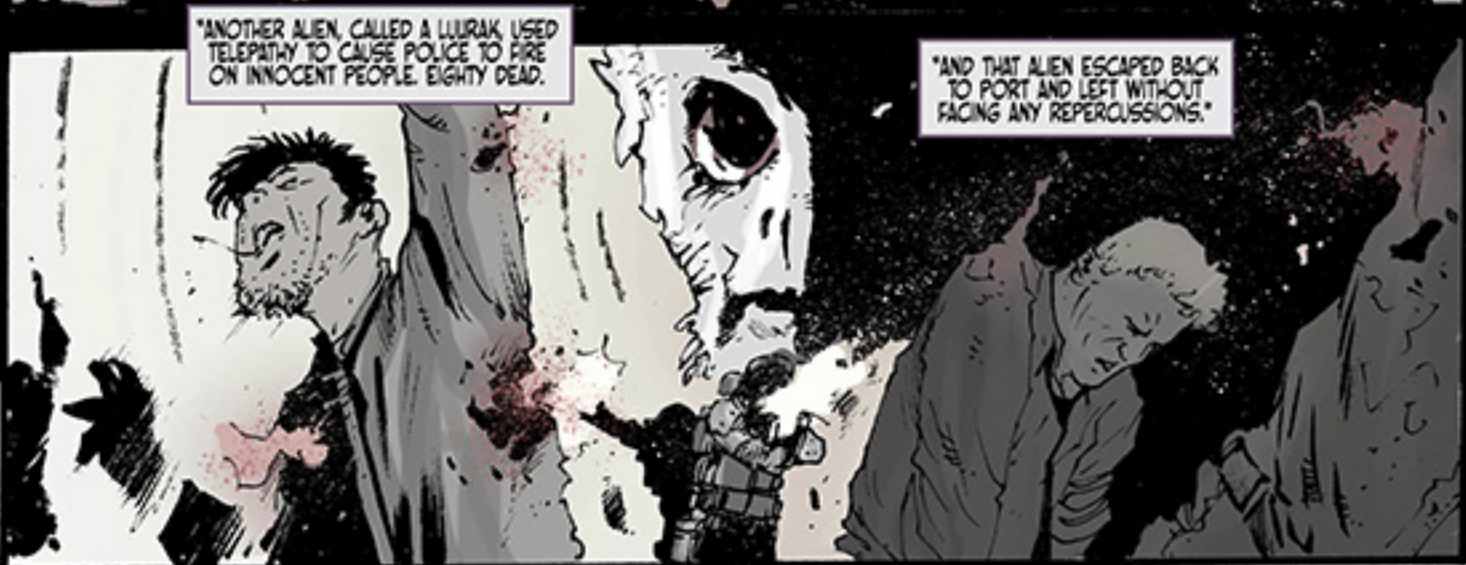

"ONE ALIEN GROUP, THE KTUMI, SOMEHOW TELEPORTED TO A JAPANESE TOWN IN A CARNIVOROUS SWARM AND PROCEEDED TO EAT A CLASS OF SCHOOL CHILDREN."

"ANOTHER ALIEN, CALLED A TIVIS, TRICKED A CRUISE SHIP INTO RESCUING IT FROM THE WATERS, THEN IT EMITTED A POISONOUS CLOUD THAT KILLED OVER ONE HUNDRED PEOPLE."

"ANOTHER ALIEN, CALLED A LURAK, USED TELEPATHY TO CAUSE POLICE TO FIRE ON INNOCENT PEOPLE. EIGHTY DEAD."

"AND THAT ALIEN ESCAPED BACK TO PORT AND LEFT WITHOUT FACING ANY REPERCUSSIONS."

"THESE ARE TRAGIC EVENTS, BUT PEOPLE SHOULD AVOID ENGAGING WITH THESE ALIENS AND CALL ESI AGENTS."

"WHY IS THE EMPHASIS ON WHAT PEOPLE CAN DO?"

"BECAUSE WE'RE ALL PEOPLE. WE'RE ALL IN THIS TOGETHER."
