Jennifer Walters has always battled for justice, both as a lawyer and as the super hero She-Hulk. Jen was recently critically injured at the same time that her cousin, Bruce Banner, A.K.A. the original Hulk, was murdered. Since these incidents, Jen's Hulk persona has become scarred and corrupted by rage.

Now Jen must search for a way to become

After Jen emerged from her coma, she tried very hard for a very long time to keep her Hulk side contained and controlled. One of the first people to warn her this was a bad idea was Flo Mayer, a trained psychiatrist and a writer, who also offered to help Jen and to tell her story.

Jen has hit rock bottom. After a disastrous run-in with the Leader that almost led to Jen killing someone, Jen finds herself at Flo's door, hoping to cross that threshold and find herself once more.
