Imperial TIE Fighter Pilot

Part VI
THE ASHES OF JEDHA

It is a period of high tension in the galaxy. The Galactic Empire has sent Queen Trios of Shu-Torun to Jedha in an attempt to collect the remaining weapon-powering kyber crystals that survived the Death Star's attack.

Recently, rebel leaders Princess Leia and Luke Skywalker, as well as smuggler Han Solo, have joined forces with Partisans Benthic and ex-rebel fighter Ubin. Together, the group has launched an attack on the Empire's orbital drill threatening to endanger the lives of the struggling civilians.

However, as Luke sneaks aboard the Imperial drill to shut down their weapons systems, Benthic falls in battle, leaving Han in charge of the Partisan army. And Princess Leia soon finds herself face-to-face with Queen Trios....
