Right.

Hi. I'm Flame Princess. When I was a baby, my dad was freaked out by my strength and locked me in a lantern. I basically have the power to set the world on fire. Which I won't. In this competition I'm going to set all your hearts on fire, in a totally consensual way.

Um hello! My name is Turtle Princess. And I like books. I like to read. I'd eventually like to find someone to read with. But that's not why I'm here obviously.

I don't necessarily believe in competitions, but I think it's good that princesses are getting a chance to show that we're more than just a pretty face. So I'm in.

Okay so, I'm Breakfast Princess and my kingdom is totally awesome and I have always been, like, pretty much the best ruler ever. Stay out of my way because I'm breakfast but I'm way not over easy. That's a breakfast joke, which only I can make by the way.

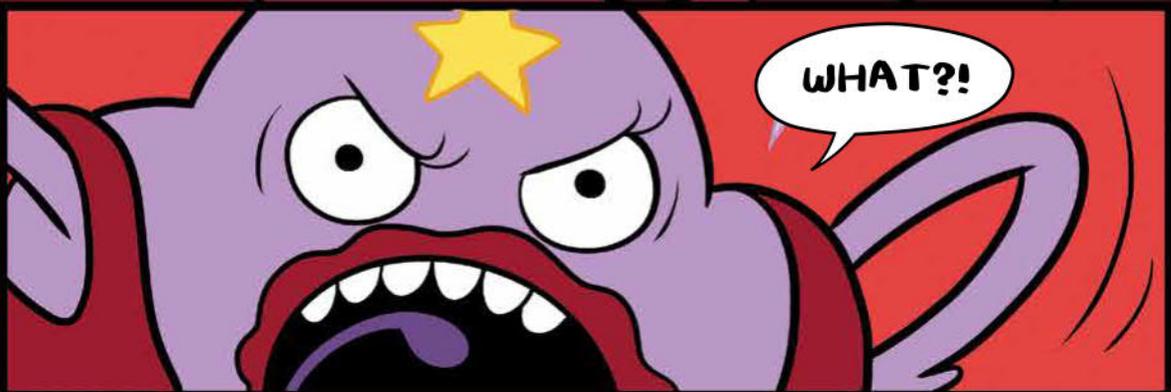

My main goal with this competition is to combine my overall brawn with the intelligence I have gained from years of study. Don't judge a book by it's cover.

It's a real honor to be here representing my kingdom. I will do my very best to represent them honorably and bravely. And gracefully. And wisely. Thank you.

Hi. Uh. So I'm LSP.  
Obviously. Wait. What  
are we supposed to be  
talking about? What-  
ever I'm totally going  
to win this thing.
