NAVY TOWN - ATTU ISLAND.
11:48 HOURS, 3 OCTOBER.

"...SHEMYA STATION,
THIS IS CASCO COVE
CEE-GEE-ESS AT ATTU
STATION, DO YOU
COPY?"

NOTHING
FROM SHEMYA
YET.

FOR ALL WE
KNOW THEY'VE
BEEN COMPLETELY
WIPE OUT. THAT
WAS SOME
WAVE.

MA'AM...
I'M PULLING IN
SOMETHING THAT
DOESN'T MAKE
SENSE.

WE'RE CATCHING
AN AUTOMATED
DISTRESS SIGNAL
FROM SURVEY SHIP
DERLETH.

WHAT'S STRANGE
ABOUT THAT? I'M SURE
THAT WAVE FLUNG A LOT
OF BOATS AROUND. TRY
AND RAISE THEIR RADIO
OPERATOR AND--

THEY'RE NON-
RESPONSIVE, MA'AM.
I'M NOT SURE THEY
CAN RESPOND.

THE AUTOMATIC
DISTRESS SIGNAL
INCLUDES THE TIME
AND DATE THEY
BEGAN BROAD-
CASTING.

AND?

THEY... BEGAN
TRANSMITTING
APRIL F-FOURTH...
N-NINETEEN
EIGHTY-THREE.

SOUNDS
LIKE A
GLITCH.

I... I DON'T
THINK... I MEAN...
I LOOKED THEM
UP.

DERLETH
WENT DOWN IN
APRIL OF '83.
ALL HANDS
LOST.

WHAT THE
FFFF--

ANCHORAGE, ALASKA.
10:18 HOURS, 4 OCTOBER.
