

**Happyville was sound asleep, all except one...**

**Mr. Smiles was restless, and try as he might,  
he just could not sleep.**

**You see, Mr. Smiles was trapped in the  
Magic Castle, and he could not leave.**

And there was only ONE PERSON who could help Mr. Smiles...

Arkham Asylum

Hey Doc, what's--

...whether he knew it or not, he was the only one with the key.

Doc?!

I'm sorry, Joe.

--Gnngh!

What did you do?  
What did you *do* to me?

Don't you get it, Ben? I didn't do this. *They did.*

*Shut up!*

Okay...I'll *allow* that. I'll give you *that* one, Benji.

But you *know* deep down that I'm *not* the one to blame here. I'm the one you should be *thanking*.

*Thanking?!* You really are insane.

Yeah, no *shit*.

But now *you* are *too*. And you *see*--you see what it's like to have the mask taken off...

...what it's like to see the world the way it **really** is. **Madness, Benjamin...** Madness is a doorway to true freedom. And now I've given you the Key.

All we have to do is walk through **together.**

No...**No.** I--I've lost everything. Anna, Simon...

**She** took your son. **She** left **you.** She could not accept who you really are, Ben. That's why **I'm** here...

I will  
*never*  
leave  
you.
