Runaways

When they were younger, Nico Minoru, Chase Stein, Gertrude Yorkes, Karolina Dean, Molly Hayes and Alex Wilder became friends through circumstance: hanging out once a year while their parents had what they claimed was a dinner party. After discovering their parents were actually the super villain team known as the Pride, the kids ran. The Runaways learned to use powers and resources inherited from their parents and returned to defeat them. The experience made them a family, but that wasn't enough to keep them safe.

The Runaways' stay with Doc Justice has extended indefinitely while Chase, Karolina, Nico, Molly, Victor, and Gib serve as the Doc's crime fighting J-Team! Gert almost made peace with staying behind --shadowing Doc's assistant, Matthew --until she got a history lesson. Over fifty years' worth of news clippings, she learned the first Princess Justice married Doc and had a son with him before she died on a mission. Doc persisted, but tragedy followed right behind, including when Matthew was Kid Justice. Besides him and Doc, only one member of his team survived. Gert tried to warn Victor, but he said they've accepted the risks of J-Team membership. Meanwhile, Doc's hoping his reality series pitch will finally get the kind of publicity that used to come easy...

CANON FODDER #VI

Now let's
get a few
with just the
J-Team.

But I'm the leader of the J-Team.

My editor wants a few shots of the new class.

This is great. You guys look great.

Could you hold your gun a little higher, BumpStock?

I'm Gun Arm.

Right, sorry-- could you hold your gun arm a little higher, Gun Arm?

You guys look amazing.

Gloom, could I get you to smile less? You know, more gloomy?

Um, no.

But, Nico, you hate it when people tell you to smile.

That doesn't mean I want them to tell me *not* to.
