

The background of the poster is a chaotic battle scene. In the center, a Predator with glowing orange eyes and a blue visor is shown from the chest up, holding a weapon. To its left, a large Alien with a long, segmented mouth and sharp teeth is roaring. In the bottom right, another Alien's head with a large, curved mandible is visible. The scene is filled with smoke, debris, and other figures in the background, suggesting a large-scale conflict.
