G.I. JOE: A REAL AMERICAN HERO #239

SITREP

Wild Bill, Lift-Ticket, and a crew of battle-hardened JOEs infiltrate Darklonia in a daring support mission that quickly turns into an all-out air-to-sea battle with Cobra forces. The JOEs are able to repel the enemy and soon rendezvous with the partisan leader Werewolf One... who turns out to be none other than the enigmatic resistance fighter Katya, a literal blast from Sneak-Peek's covert past!

Elsewhere, Dawn continues to be haunted by memories from another past—this one belonging to the late Snake Eyes! As dark as her dreams are, however, it seems her waking reality is only getting darker!

Meanwhile, Cobra Commander invites Destro over for a chat that turns deadly in a heartbeat! But Destro is not so easily tricked...
