**VERSUS**  
**THE PUNISHER**

Avenger...Assassin...Superstar...Smelly person...Possibly the world's most skilled mercenary, definitely the world's most annoying, **WADE WILSON** was chosen for a top-secret government program that gave him a healing factor allowing him to heal from any wound. Somehow, despite making his money as a gun for hire, Wade has become one of the most beloved "heroes" in the world. Call him the Merc with a Mouth...call him the Regeneratin' Degenerate...call him...**DEADPOOL**.

**FRANK CASTLE** was a decorated Marine, an upstanding citizen, and a family man. Then his family was taken from him when they were accidentally killed in a brutal mob hit. From that day, he has become a force of cold, calculated retribution and vigilantism. Frank Castle died with his family. Now, there is only...**THE PUNISHER**.
