It's almost time for the season finale of *Space Battle Lunchtime*, the hit show broadcast all over the universe, and finalist Deony (the only Earth contestant) is nowhere to be found! That's because she's been kidnapped and taken to the set of *Space Battle Lunchtime*'s biggest rival, *Cannibal Coliseum*, where chefs compete to cook... each other.

Up against some of the most dangerous aliens in the galaxy, will Deony even make it to the end of the show, or is her goose cooked? Stay tuned!
