COLORS: GUY MAJOR  
LETTERS: JOSH REED  
ASSISTANT EDITOR: LIZ ERICKSON  
EDITOR: JIM CHADWICK  
BATMAN CREATED BY BOB KANE WITH BILL FINGER.

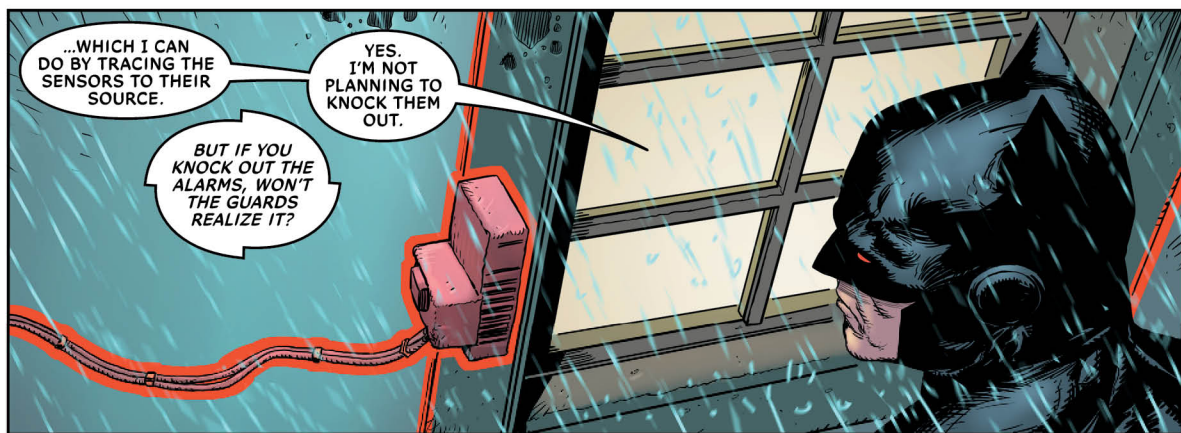

...WHEN IT JUST HAS DIFFERENT VULNERABILITIES.

IT'S DONE, SIR. THEIR MONITOR STATIONS WILL SEE A LOOP OF WHAT THE CAMERAS CAPTURED FOR THE HOUR BEFORE YOU ARRIVED.

GOOD WORK, ALFRED. NOW I JUST NEED TO DISABLE THE ALARMS...

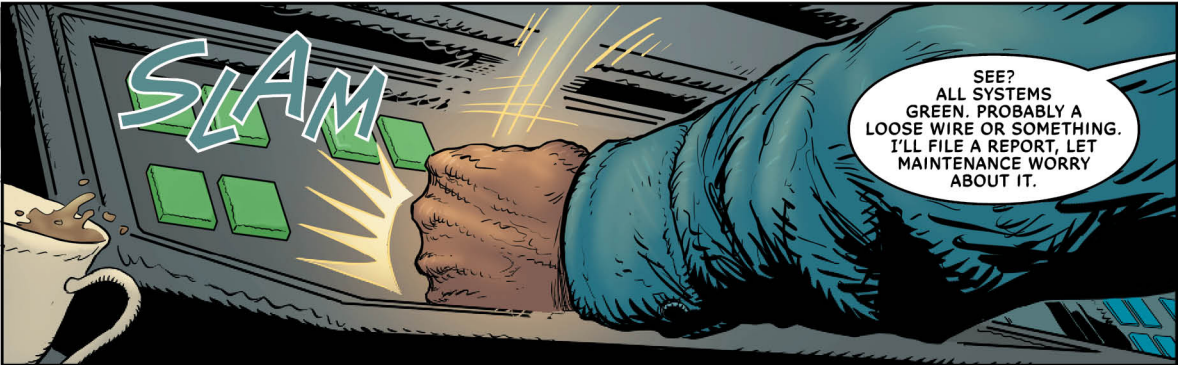

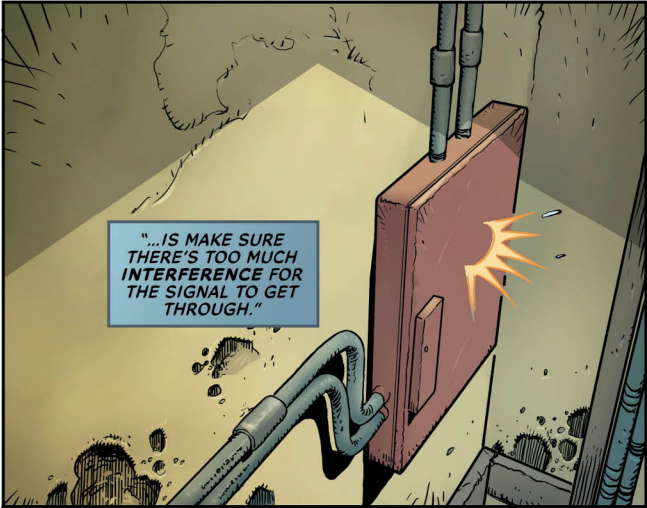

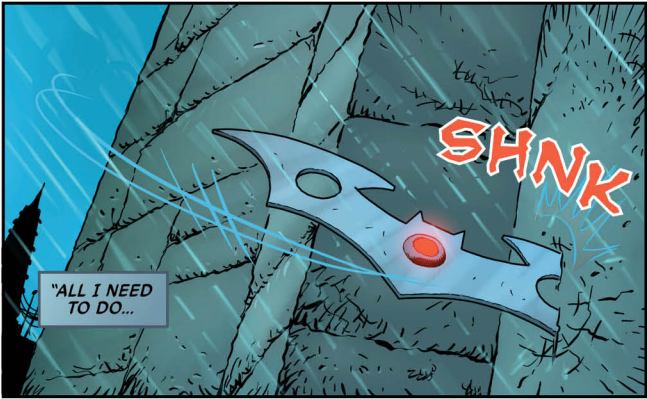

...WHICH I CAN DO BY TRACING THE SENSORS TO THEIR SOURCE.

YES. I'M NOT PLANNING TO KNOCK THEM OUT.

BUT IF YOU KNOCK OUT THE ALARMS, WON'T THE GUARDS REALIZE IT?

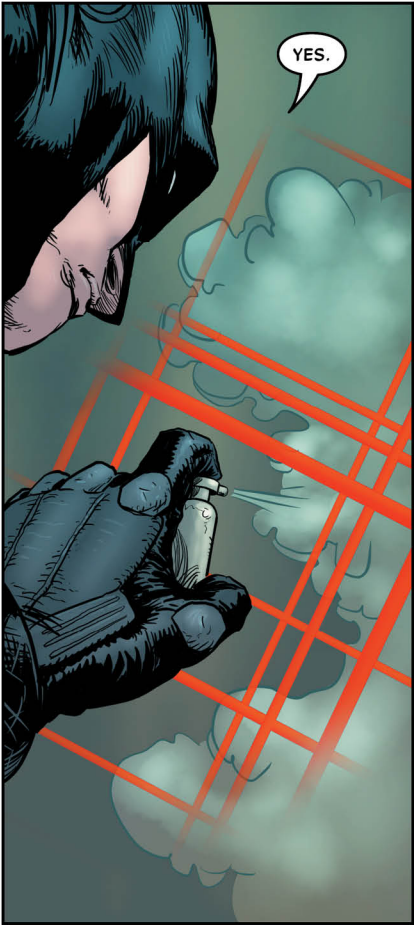

THEN  
TURN OFF  
THE BATARANG  
QUICKLY ENOUGH  
THAT THEY NEVER  
IMAGINE SOMEONE  
COULD HAVE  
GOTTEN IN.

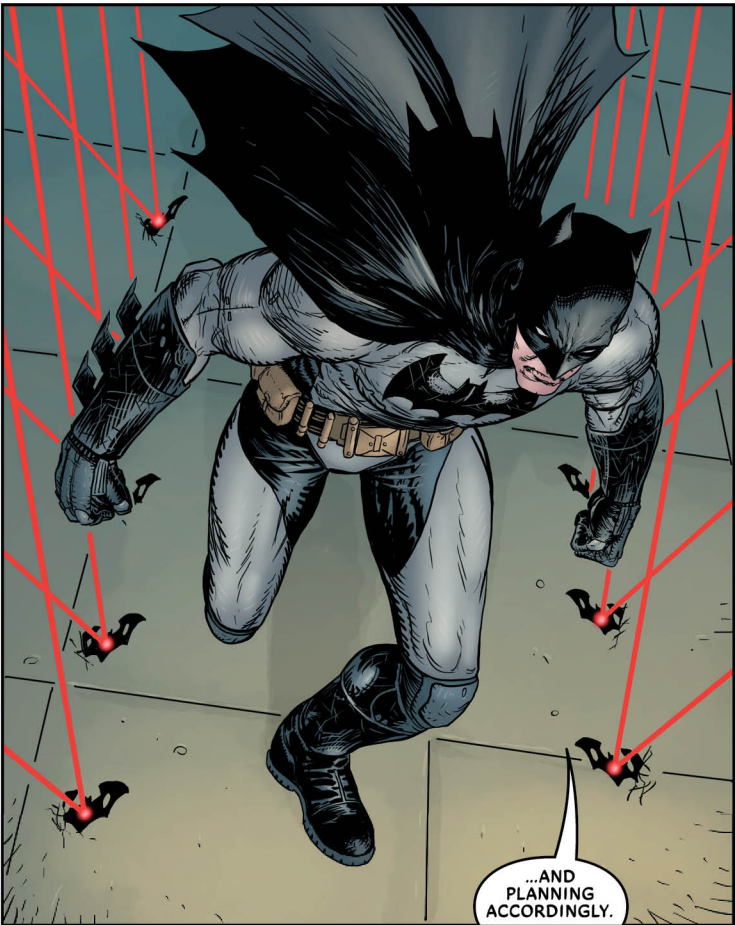

POINT THREE  
SECONDS OFF  
YOUR BEST TIME, BUT  
SERVICEABLE. YOU  
MENTIONED LASER  
ARRAYS?

YES.

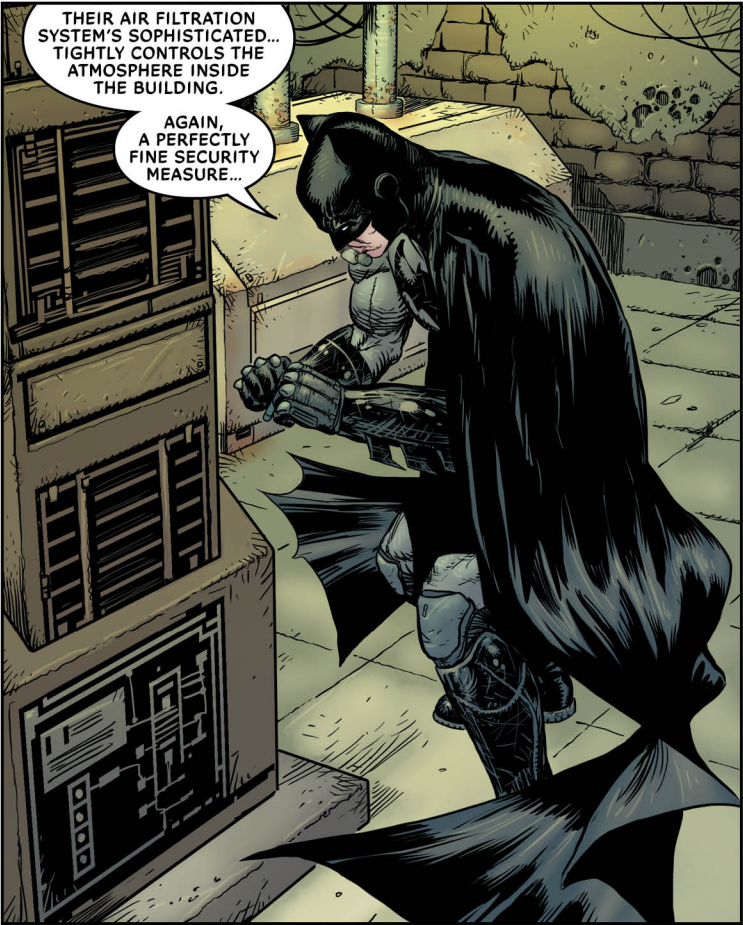

AGAIN, JUST  
A MATTER OF  
KNOWING HOW  
THEY WORK...

...AND  
PLANNING  
ACCORDINGLY.

THEIR AIR FILTRATION SYSTEM'S SOPHISTICATED... TIGHTLY CONTROLS THE ATMOSPHERE INSIDE THE BUILDING.

AGAIN, A PERFECTLY FINE SECURITY MEASURE...

...UNLESS YOU COMPROMISE IT AT THE SOURCE.

"LUCIUS' ISOFLURANE MIXTURE IS COLORLESS, ODORLESS AND TAKES EFFECT QUICKLY, BUT NOT SO QUICKLY THE SUBJECTS WILL INJURE THEMSELVES FALLING.

"THEY'LL SLEEP FOR A WHILE. NO SIDE EFFECTS."

AND THE FILTRATION SYSTEM WILL CLEAR THE AIR IN MINUTES.

IT SEEMS YOU'VE ACCOUNTED FOR EVERYTHING, SIR...
