**NEW AMERICA.
DAY 72.**

HE NEVER WANTED THE JOB, YOU KNOW.

OF COURSE HE DIDN'T. THE ENTIRE NOTION OF THIS COUNTRY HAVING A SOVEREIGN RULER IS POISON TO THE STEVE ROGERS ETHOS.

ONE DOES NOT REBUILD A REPUBLIC OVERNIGHT, HOWEVER. IT'S A LONG PROCESS, PARTICULARLY WITH AMERICA BEING ONE-TENTH OF WHAT IT ONCE WAS, IF THAT.

YOU CAN'T JUST SLAPDASH A 250-YEAR-OLD CONSTITUTION WRITTEN BY A BUNCH OF WEALTHY WHITE LANDOWNERS ONTO A POST-RAMPART, POST-BABBINGTON HELLSCAPE.

SOMEONE HAD TO STEP UP AND TAKE THE REINS. THE REIGN.

HE HATES BEING CALLED THAT.

HENCE OUR NEW ELECTED OFFICIAL, "KING ROGERS."

NO MATTER.

IT'S TIME HE SURRENDERED THE THRONE.

1940! As the world teetered on the brink of global war, frail Steve Rogers entered a secret laboratory and was transformed into the American Super-Soldier! For five thrilling years, he fought the Axis powers--until a freak stroke of fate threw him into suspended animation. When he awoke, he was a man decades out of his time! Since that fateful day, Steve Rogers has sought his destiny in this brave new world!

CAPTAIN AMERICA

Captain America defeated a villainous group called Rampart in Nebraska, and in retaliation, they captured Steve and put him on ice--literally! Now Captain America is, once again, a man out of time in the not-so-distant future of 2025, where Rampart was able to stage a nuclear disaster and use the ensuing panic to usurp America's government. Captain America and his small band of rebels were able to defeat Rampart's King Babbington and reclaim the USA--but what comes next?
