Okay, wood kids!  
You want another  
story? You want  
another story of...  
THE OLD DAYS?

We want a  
story about **FINN  
AND JAKE!**

But what  
about BMO  
stories?

**FINN AND  
JAKE!**

Do not be rude,  
Splamantha.

In **FACT**, I have one  
story left! It is  
a story **YOU** will  
like very much!  
And it has Finn!

**YAY!**

And Jake!  
Also yay!

Good.  
A totally rad  
Finn and Jake  
story **JUST**  
for me.

We're  
**ALL** going  
to hear it.

But I  
hacked the robot  
into telling it  
to you.

You  
didn't  
ha--

Our story  
**BEGINS  
WITH...**

A cute puppy.

Booo!

A COOL AND cute puppy.

Yaaay!

Yeah...

Sorry, haters. This story has a puppy dog for everyone.

I'm gonna do this.

LATER:

I am the Potpourri Queen, ruler of the land beyond the kingdoms of Ooo!

We have CAPTURED this FOREIGN SPY who has violated our border and see it as a DECLARATION OF WAR!

For too long, my people have suffered within the Breakfast Kingdom, the Desert Kingdom, Wizard City, the Fire Kingdom...

...the Box Kingdom, Rump Town, the Slime Kingdom, the Goblin Kingdom...

Who got Queen P rambling again?

Princess?

That's Casey. We friended up at a dog convention a few years back pretty hard-core. Casey's cute AND cool.

Listen, I'm kinda puffed up in a total rage over this situation, and I want to go smash everything and do a rescue. Can we go do that?

Oh, totally, man.

Cool.

...the Grocery Kingdom, the Cloud Kingdom, the Hot Dog Kingdom...
