EVERYONE IN TOWN WAS PSYCHED TO GO SEE THE BOMB GO OFF. IT WAS BIG NEWS! AND FOR SOME REASON, NONE OF US GAVE A DAMN ABOUT THE DANGERS THAT MIGHT BEFALL US. IT WAS JUST GREAT FUN!

THE TOWN HAD THESE "SAFETY GLASSES" AVAILABLE. WE ALL GOT A SET AND WORE THEM. YOU COULD CUT THE ANTICIPATION WITH A KNIFE!!!

THERE WAS A FENCE SET UP AT A "SAFE" DISTANCE FROM THE EPICENTER. WE COULD ALL SEE THE SCIENTISTS MILLING ABOUT, TAKING MEASUREMENTS AND STUFF. IT WAS SO COOL!
