

PLANET EARTH'S BRAVEST AND BRIGHTEST.

HERE TO SAVE THE WORLD, JUST LIKE A FILM.

YOU'RE JOINING THE ELITE.

After three days in zero G, my tongue feels too heavy for words.

AYE, WELL, IT'S ALWAYS GOOD TO KNOW THE ELITE HAVE TO PISH IN A COLOR-CODED VACUUM TUBE LIKE THE REST OF US.

I'VE GOT A SPLITTING HEADACHE.

I'M JUST SAYING YOU SHOULD FEEL HONORED.

EVERYONE ON THIS MISSION IS AN ACKNOWLEDGED EXPERT IN THEIR FIELD.

NOTHING BUT THE BEST FOR MR. DARIUS.

SO YOU'VE STILL NOT TOLD US YOUR STORY.

YOU'RE TOO YOUNG TO BE AN EXPERT ON ALL.

MR. NAMELESS.

I'LL EXPLAIN EVERYTHING.

THERE'S NOT A SINGLE MOMENT TO LOSE, MY FRIEND--

SORRY I CAN'T SHAKE YOUR HAND--

NAMELESS?

SHOULD I CALL YOU NAMELESS?

CALL ME AL, CALL ME ISHMAEL, CALL ME A TAXI.

WHATEVER.

DON'T WANT TO UPSET THE MAN IN CHARGE OF MY AIR SUPPLY.

HA.

SOMEONE BROUGHT A FLU BUG; WE'RE QUARANTINED IN DOME FIVE FOR THE TIME BEING.

WE CAN'T RISK ANY OF YOU CATCHING COLD BEFORE THE MISSION.

MAKES SENSE.

I DON'T MEAN TO SEEM CRUDE BUT I'M STRUGGLING WITH NAUSEA AND CONSTIPATION AND I NEED TO FIND ONE OF YOUR MOON TOILETS FAST.

WHAT'S THE OCCULT ANGLE?

OH MY GOD, IT'S TRUE.

THIS IS WHY YOU'RE HERE, BUDDY.

THIS IS WHAT WE DIDN'T TELL YOU ON THE WAY...

DR. CROFT WAS OUR FORMER EXPERT ON "OCCULT" MATTERS.

YOU CAN SEE FOR YOURSELF THE CRIME SCENE.

SOME KIND OF MILESTONE FOR HUMANKIND, HEH?

THE FIRST MURDER ON THE MOON.
