

MARVEL COMICS PROUDLY PRESENTS...

FOOLKILLER

Long ago, Greg Salinger was the Foolkiller, a vigilante targeting perpetrators of foolish crimes. He was one of Deadpool's Mercs for Money, but left to try a normal life as a psychologist treating former costumed criminals. He had some success—an apartment, a lovely girlfriend, Melanie—but Greg couldn't psychoanalyze so many fools without killing a few. While he wrestled with guilt, Kurt Gerhardt, the maniac who once took on the Foolkiller mantle when Greg was inactive, began sabotaging Greg's new life. His job and relationship ruined, Greg had no choice but to suit up and confront Kurt in the current hideout of Parker Robbins—the fallen super villain, Hood.
