

A stylized illustration of a hand holding a revolver. The hand is rendered in a dark, almost black silhouette with bright yellow outlines, giving it a graphic, comic-book-like appearance. The hand is positioned in the upper left, with the index finger resting on the trigger. The revolver is also dark with yellow highlights, showing its cylinder and grip. The background is a deep blue gradient, speckled with numerous small, light blue dots representing stars. A thin, vertical yellow line runs down the right side of the image. In the lower-left quadrant, there is a quote in a serif font, and at the bottom center, the author's name is written in a smaller serif font.
