Fig. 1

Yep, those were the days, Charlie, let me tell you. I had endless energy. I'd work in the lab for days at a time without going home.

The government's money just kept coming and I just keep working.

Fig. 2

INVENTOR
JAMES
ROBINSON

The days became
weeks without me
noticing. Weeks
turned into months.
And I kept getting
closer and closer--

...I went
beyond.
