Nigel, who's our next petitioner today?

Well, Your Highness, it appears that next we have a complaint from Feldspar the cobbler, who—

That's right, Your Majesties, I do have a complaint!

And my complaint is about...well, it's about you, Princess!

Me?

Princess, I have one business, and that business is shoes.

And you walking around all day and night with no shoes, anywhere, anytime...

Well, it's giving people ideas, Princess! Bad, barefoot ideas! Look!

And these bad ideas are very bad for my business!

But, Feldspar, I didn't ask people to stop wearing shoes...

But, Princess, they're doing it anyway! I have the latest summer shoes in stock and *no one* is buying them!

Feldspar, you know we of the royal family have always had your best interests at heart.

Be assured that we will consider your problem and find a speedy solution.

Thank you, Your Majesty.

Rapunzel, I know you didn't intend for this to happen, but this is something you need to start thinking about.

People don't just look to us for how to behave. Some of them are inspired by us in other ways, like what we eat or how we dress.

It's just for fun, or to be fashionable, but it does have an impact.

Think about what kind of impact you want to have.

I have to fix this, I have to! But how?

I know! I'll just... start wearing shoes! How hard can it be, right?

Uh... pretty hard, apparently. Remember the coronation?

But what if I--?

Inspire a new falling-on-your-face trend? Not likely, Raps.

But what, then?

Blondie, it's okay! Cassandra actually has a point. This barefoot thing is a trend, and trends come and go.

Everyone will go back to wearing shoes soon enough. Probably the next time it rains!

Not everyone is as calm as you about stepping on worms, you know.

You're probably right. But here's the thing: I never knew something like this would happen!

I spent so many years living in a tower with no one really seeing me, and now I need to be a good example of everything. In public! On purpose! And I messed it up.

If I'm a trendsetter, I want to use my trendsetting powers for good.

Well, Blondie, there are lot of things you love to do. If you want to be inspiring, just do those things—

Except in public!

On purpose!
