A pretty smile
can hide an
ugly word...

...and a devil's face
can belong to a big
bleeding heart.

A roadside shack
can serve the best
ribs you ever shoved
in your mouth...

...and a hillside mansion
can be rotten to the
studs with black mold.

On the Skeleton Coast of Namibia, I saw the sea eating away the sand...

BLAM

...revealing whale bones, the husks of old cargo ships and fishing boats. Thousands of them.

THAK

In Borneo, I was once lost deep in a limestone cave when I struck a match and the darkness retreated...

...and there I was, surrounded by rock art and human skulls and stalactites shaped like jellyfish.

SKELGH

There's always something secret...

...waiting to come out of hiding.
