Years ago, a crew of bounty hunters was torn apart when Nakano Lash, their leader, betrayed them by murdering their client, the heir to the Mourner's Wail syndicate. The crew included Lash, her cyborg protégé Valance, the human T'ongor, the Trandoshan Bossk and Boba Fett.

The Mourner's Wail and rival organization the Unbroken Clan have been at war ever since. Now Lash has resurfaced under mysterious circumstances, and the galaxy has not forgotten her crime.

Valance, T'ongor's sister T'onga, Bossk and Fett all have a personal score to settle. The race to find Nakano Lash has begun...
