YATES

THOUSANDS OF ASTEROIDS PASS NINJAGO EVERY YEAR, AND NO ONE GIVES THEM A SECOND THOUGHT.

AFTER ALL, THEY'RE JUST HUNKS OF SPACE ROCK, RIGHT?

"THAT WAS WHAT WE NINJA THOUGHT WHEN WE STOWED AWAY ON **GENERAL CRYPTOR'S** STARSHIP AND WOUND UP ON WHAT WE AT FIRST THOUGHT WAS A COMET, BUT TURNED OUT TO BE SOMETHING VERY DIFFERENT."

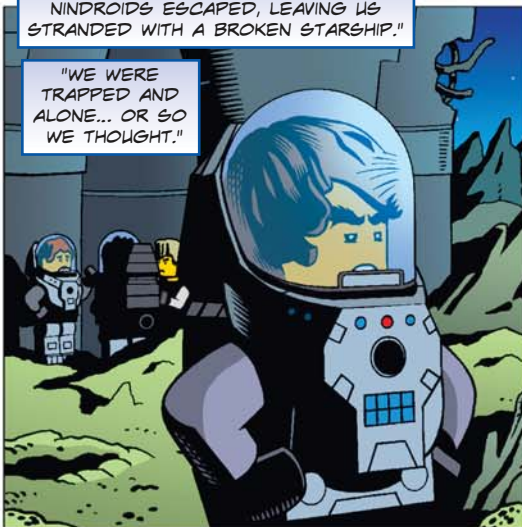

"CRYPTOR AND THE **NINDROIDS** HAD COME HERE IN SEARCH OF THE GOLD OF THE WEAPONS OF SPINJITZU AND THE MEGA WEAPON, AND WE TRIED TO STOP THEM."

"WE FAILED. CRYPTOR AND THE NINDROIDS ESCAPED, LEAVING US STRANDED WITH A BROKEN STARSHIP."

"WE WERE TRAPPED AND ALONE... OR SO WE THOUGHT."

WE HAD FORGOTTEN ONE THING:

AN ASTEROID TRAVELS THROUGH SPACE, AND ANYTHING THAT TRAVELS CAN CARRY...

A PASSENGER.

"WE HAD ONE SLIM HOPE. JAY MIGHT BE ABLE TO REROUTE THE SHIP'S SYSTEMS AND GET US OFF THIS ROCK."

WE MIGHT BE STUCK HERE FOR A WHILE. WE BETTER SCOUT AROUND AND SEE IF WE CAN FIND FOOD OR SHELTER.

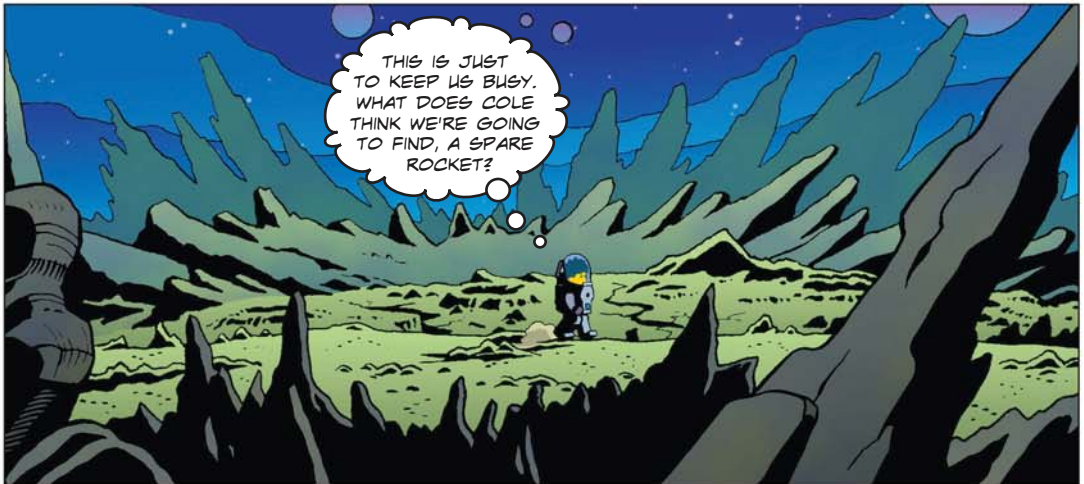

I DON'T THINK ASTEROIDS COME WITH GROCERY STORES, BUT OKAY.

WE'LL SPLIT UP AND MEET BACK HERE IN HALF AN HOUR. IF YOU FIND SOMETHING, GIVE A SHOUT ON YOUR RADIO.

NATURALLY.

GOT IT.

THIS IS JUST TO KEEP US BUSY. WHAT DOES COLE THINK WE'RE GOING TO FIND, A SPARE ROCKET?

ALL THE POWERS WE HAVE, ALL THE BATTLES WE'VE FOUGHT, AND IT ALL MAY END HERE.
