GUARDIANS OF THE GALAXY

THE TELLTALE SERIES

MISSION LOG

CLIENT:

COSMO

The Guardians of the Galaxy are in a bit of slump...See, our last job--capturing the Blood Brothers and collecting the massive bounty--didn't quite pan out. Now Howard the Duck is threatening to impound our ship. But thanks to my awesome leadership (seriously, they don't call me Star-Lord for nothing) we landed ourselves a sure job!

The mission was simple: The Astronomer's research assistant was kidnapped and sold to the gladiator pits of Sakaar. We just had to sneak in, un-kidnap him and get him back to his boss. But nothing's ever simple with my crew--Rocket's scheming's messed up the gladiator pits and now I'm caught in the crosshairs of Stakar and his band of Scavengers...

YOU SAID THAT EVER SINCE WE TEAMED UP WITH STAR-LORD YOU COULDN'T REMEMBER THE LAST TIME YOU LEFT A PLANET WITHOUT FLEEING FOR YOUR LIFE.

TRUE, BUT THAT WAS MORE OF AN OBSERVATION THAN A CRITICISM!

I APPRECIATE THE CONCERN, GANG. NO REALLY, I DO, BUT I INSTALLED A LITTLE CONTINGENCY PLAN ON BOARD FOR JUST THIS EVENTUALITY...
