PART THREE

When a strange terrigen mist descended upon Jersey City, Kamala Khan was imbued with polymorph powers. Using her new abilities to fight evil and protect Jersey City, she became the all-new **Ms. Marvel**. Her life was changed forever...and so were the lives of her family and friends.

And further change has caused strain on Kamala and her relationships. As she and Bruno patch up their friendship, they've jumped into a project together conducting scientific experiments to discover how Kamala's powers work—which has made her powers go haywire! As Kamala tries to defend Jersey City from the villainous Shocker, she's had to contend with her malfunctioning abilities...as well as strange, unexplained voyages through a warped reality she has similarly not been able to figure out. Meanwhile, Bruno's further experiments have just yielded an unexpected result...
