“ALONE AGAINST STONE”

WRITER **ZHOU LIEFEN** ARTIST **KENG** ADAPTATION BY **GREG PAK**

Lei Ling wants to build a better, more beautiful Shanghai. As a brilliant architect, she’s achieved success for herself and her city, all while leading a second life as a super hero. The key? For Ling it’s all about balance, even if it means using her powers to dodge a marriage proposal from her boyfriend, Zou Yu, before rushing off to save a group of people from a capsizing ferry.

But now, a specter from the past is threatening Ling’s home. Her old mentor, the powerful Madame Huang, tried to drop a floating city on Shanghai. While trying to stop her, Ling became embroiled in a battle with Madame Huang’s new apprentice, a mysterious foe who’s half man, half rock!
