

BEACON...

...SHE'S
GONE.

4: EMBRACE THE VOID

WHAT DO YOU MEAN... "GONE," ARTISAN?

YOU MEAN--

I MEAN JUST THAT. GONE, ARTISAN. ABSENT.

I CAN'T DETECT HER PRESENCE ANYWHERE ON SCION'S SHIP.

DETECT, YOU MEAN LIKE HOW?

ARE YOU GOING TO ANSWER EVERY ONE OF MY ANSWERS WITH ANOTHER QUESTION?

...
NO?

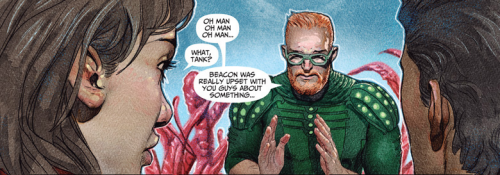

I'M A HUNTER. A TRACKER. I CAN SENSE... LIFE.

EVEN THOUGH THIS BIO-STATION TEEMS WITH LIFE... BEACON ISN'T AMONG IT. SHE WANDERED OFF IN THIS DIRECTION AFTER SCION TRAINED US TO ACCESS THE EPHEMERAL PLANE. AND NOW SHE'S GONE.

CAN YOU HUNT HER DOWN BEFORE WE GO JUST OUT THE PSH-LORDS FROM THEIR ORBITAL TOMB?

NO. HER TRAIL LEADS OUT HERE, THEN JUST...STOPS.

OH MAN
OH MAN
OH MAN...

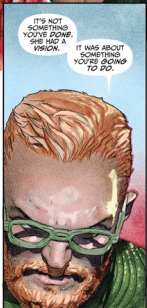

WHAT,
TANK?

BEACON WAS
REALLY UPSET WITH
YOU GUYS ABOUT
SOMETHING...

WITH *WSP*
WHAT'D WE DO TO
HERP WE BARELY
KNOW HER!

WELL, WE
HAVE ANNESSIA,
WE BARELY KNOW
ANYBODY.

IT'S NOT
SOMETHING
YOU'VE DONE.
SHE HAD A
VISION.

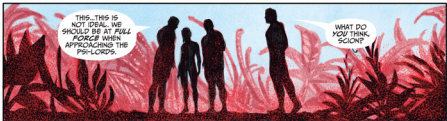

IT WAS ABOUT
SOMETHING
YOU'RE GOING
TO DO.

UGH, THAT IS THE
MOST ON-BRAND
WOMAN B.S.
EVER.

OH MY GOD, DO
YOU HAVE TO BE
SUCH A COMPLETE
JERK ALL THE
TIME?

I DON'T
ACTUALLY
REMEMBER, BUT
APPARENTLY,
YES.

THIS...THIS IS
NOT IDEAL. WE
SHOULD BE AT FULL
FORCE WHEN
APPROACHING THE
PSI-LORDS.

WHAT DO
YOU THINK,
SCION?

I FEEL I CAN
SAY WITHOUT
A SHADOW OF
DOUBT...

...THAT IF
SHE WAS HERE,
WHAT BEACON
WOULD WANT...

"WOULD BE FOR US TO SEE OUR QUEST THROUGH TO ITS END."

THERE IT IS...THE PSI-LORDS' SHIP.

THE FIRST TO BE CAPTURED IN ORBIT AROUND THE VAMPIRE STAR...

CAN YOU BE SURE THAT'S IT?

OH, YEAH, I'M SURE.

WE NEED A...KEY TO GET IN OR SOMETHING?

I CAN FEEL THEM...AT THE EDGES OF MY SENSES...TELLING ME WHICH IS THE CORRECT ENTRANCE...

NO...NOW I CAN FEEL THEM...CALLING TO ME...

...THE GUARDIAN, THE SOLDIER.

ALL THE PSI-LORDS RESPECT... ALL THEY WOULD OPEN THEMSELVES TO...

...IS
POWER!

WHOOOOOM

PSI-LORDS!
YOO-HOO! WE'RE
HERE!

PSI-
LORDS?

PERHAPS
THE PSI-LORDS
WERE INSIDE US
ALL ALONG.

THE REAL
PSI-LORD IS
FRIENDSHIP.
