

# PATHFINDER GOBLINS!

DYNAMITE

From the Pathfinder Chronicles:  
Superstitious and ignorant, goblins  
possess no known written history  
of their race or traditions.

Singing and storytelling  
form a bizarre and uneven  
oral education for goblinkind,  
misrepresenting their  
importance and distorting their  
view of the world around them.

AND WHEN HE  
READ DE WORDS  
HE WROTE, DEY  
BURNED HIS  
BRAIN.

**BRAIN  
BURN!**

BURN  
BURN

BURN--  
**AAAAAGH!**

AN' HE  
BURNED DEAD  
AN' HIS BRAIN  
MELTED.

DAT'S WHY  
WE DON'T MAKE  
WORDS ON  
PAPER.

BAD, BAD,  
**BAD.**
