...HOW DO I KILL HIM?

"A Scabrous and satirical look at the cape-eat-cape world of superheroes! Highly recommended!"

—Fred Van Lente (*Marvel Zombies*, *X-Men: Noir*, *Archer & Armstrong*)

Duke kills superheroes for a living. The problem is...he's terrible at it. To make matters worse, his ex-wife, Sharon, is absolutely amazing at it. Even though Duke teams up with supervillains on all of his hits, it's a rare day that his ex-wife doesn't beat him to the punch. Duke's desperate to get one over on her, so when the contract comes through for the world's premier team of superheroes—The Liberty Brigade—Duke believes his day has finally come. Unfortunately for him, this golden opportunity is anything but...

The complete miniseries of the popular webcomic!

"A darkly slapstick romp through a fallen world of internecine super-failures."

—Al Ewing (*Loki: Agent of Asgard*, *Mighty Avengers*, *The Ultimates*)

"Great comic. Extremely worth your lucre."

—Si Spurrier (*X-Men: Legacy*, *Crossed*, *Six-Gun Gorilla*)

"One of the funniest, and yes, original stories you'll read in comics all year."

—Conor McCreery (*Assassin's Creed*, *Kill Shakespeare*, *Sherlock Holmes vs. Harry Houdini*)

"A riotous, irreverent battle royale with an impressive, excessive body count that would make Deadpool blush. Worth checking out!"

—Olly MacNamee (*Bleeding Cool*)
